

### **Board duties COSMA Foundation 501(c)(3)**

The Board is responsible for developing programs and raising funds to support the Coalition of State Museum Associations. The Board will meet at least four times each year. Virtual meetings are acceptable.

The COSMA Foundation will engage in educational and charitable activities, including:

- Conduct research and produce reports that educate the public about the positive impacts of state museum associations, relevant issues that affect state museum associations and the communities they serve, and the conditions needed to support a strong museum community.
- Gather, analyze, and share data to help identify trends affecting the state museum association community
- Provide learning and professional development opportunities for state museum association.
- Engage in fundraising and membership development to support these activities and make grants to state museum associations
